The Citarella Story

Passion and persistence are the driving forces behind the success of Citarella and its owner, Joe Gurrera, who began his career in food working in his dad's modest seafood shop. In 1983, Joe purchased Citarella, a small, venerable fish market on Manhattan's Upper West Side, and transformed this neighborhood market into a full service gourmet food haven. Over time, Joe expanded Citarella's selection to include the highest-quality prime meats -- all hand picked and dry aged, the finest produce, chef prepared foods and pastries, artisan cheeses, charcuterie, and a stellar array of gourmet grocery products. Today, we are proudly a family-run business with over 700 employees in NYC and The Hamptons.
